

Victoria Jones

Singer/songwriter and Huntsville native Victoria Jones knows no bounds when it comes to the love of the Arts and the impact it can have on the community. Victoria Jones is the partnerships manager of the Orion amphitheater. More than an amphitheater, The Orion amphitheater is an 8,000 persons venue owned by The City of Huntsville and operated by **tvq hospitality**.

The Orion seeks to help grow North Alabama music, its culture and its economy. In addition to arts festivals, markets, and world-famous musicians housed in Huntsville's very first state-of-the-art venue, The Orion amphitheater will incubate local talent and show the next generation of entrepreneurs that there's more to Huntsville than space and missile defense. As partnership manager, Victoria oversees the fulfillment of all sponsorship and partnership opportunities and strives to deliver excellent (and collaborative) service to partners, constituents and the North Alabama community.

The Alabama Arts Summit is a partnership between the Alabama Arts Alliance and the Alabama State Department of Education. The Alabama Arts Alliance is funded in part by grants from the Alabama State Council on the Arts and the National Endowment for the Arts, a federal agency.
